

BackOffice Associates® Named to Software Magazine's 28th Annual Software 500

2009 Revenue of \$115.2 Million Positions BackOffice as the 190th Largest Software Company in the World

South Harwich, Mass., December 6, 2010 – [BackOffice Associates, LLC](#), the leader in ERP [Data Migration](#), [Data Governance](#) and [Master Data Management](#) solutions for [Oracle®](#), [SAP®](#) and other ERP vendors, today announced its inclusion in Software Magazine's [Software 500](#). Now in its 28th year, the Software 500 ranks the world's largest software and service providers. BackOffice Associates® was ranked as the 190th largest software company in the world with 2009 revenues of \$115.2 million.

The Software 500 is a revenue-based ranking of the world's largest software and services suppliers targeting medium to large enterprises, their IT professionals, software developers and business managers involved in software and services purchasing. 47% percent of the 2010 Software 500 companies are privately held.

“Our customers recognize the value of our powerful, yet simple software solutions,” said Trish Kennedy, CEO of [BackOffice Associates](#). “That is the secret to our exponential growth.”

“The Software 500 helps CIOs, senior IT managers and IT staff research and create the short list of business partners,” said [John P. Desmond](#), editor of Software Magazine and Softwaremag.com. “It is a quick reference of vendor viability. The online version is searchable by category, making it what we call the online catalog to enterprise software.”
